Simply move the bar on the right side of the PDF screen or the arrows at the top, either will move through the slides.

## CHRISTMAS RETREAT 2007

Pastor Jorge writes: In our first devotional we read your letter to them as the main topic (*Jack and Jan sent a letter to be read to the missionaries at the retreat*). The content of your letter was very inspiring to each one of us. Jun Fabila and his wife Tina gave the message in song. Each one longed to see you especially those who do not meet you, yet like Elmer and his wife Mely, Grijalvo Family - Bien and Nida also their daughter and son Bing and Jose who are missionaries also in Balangabong.

These pictures were taken inside the Ulasan church. Notice the newly tiled floor.

Bing gave a lecture entitled "How To Have A Worry Free Life" which helped them understand how to cope with problems. She gave a little emphasis also on the importance of planting vegetables in the garden to have a little harvest instead of buying them from the market.

Len Len gave the message in song.

The morning devotional was held under the duhat tree and the speaker was Pastor Jorge. Elmer Fajanel shared his testimony how he was baptized. Jose and his sister Bing Grijalvo sang the special number. Vanessa and Althea sang also before Pastor Jorge shared his devotional message.

The second lecture of Bing, "A Wife After God's Own Heart". This lecture gave an inspiration to missionary wives. It also gave impact to missionaries how their wives play an important role in their field of work.

Lunito, a Mangyan missionary, shared how he was converted and how he dedicated his life to win souls for Christ.
